

Koala Cabinets Limited Lifetime Warranty

Koala Cabinets are designed and constructed with such care and craftsmanship and with such quality materials that we provide the original owner with a Limited Lifetime Warranty covering major components of the cabinet.

This warranty protects against manufacturer's defects in the workmanship and materials of certain components in your Koala Cabinet, including: all components related to the Koala Soft-Touch Air Lift System; individual parts incorporated into the cabinet frame; the storage bins; drawer glides; hinges; handles; and casters. This warranty is limited to the original owner of the Koala Cabinet when the Koala Cabinet is shipped direct to an authorized Koala dealer or to a retail customer under the Koala Optional Residential Delivery Program. The warranty is void if the Koala Cabinet is reshipped by an unauthorized shipper or delivery service. This warranty applies only to defects in the components listed above. In addition, incidental and consequential damages resulting from a breach of this warranty or any implied warranty are excluded to the extent permitted by law. Some states do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

In the event you discover a defective component, you need to return the defective component with a copy of this warranty and the original receipt or other acceptable proof of purchase to Koala Cabinets at 19018 NE Portal Way, Portland OR 97230*. Koala Cabinets will then provide you with a replacement component free of charge within a reasonable period thereafter. You will be responsible for all freight charges in connection with delivering the defective component to us and, to the extent permitted by applicable law, any labor charges that may be applicable. We will pay all freight charges in connection with delivering replacement components back to you.

Koala Cabinets have been designed for personal, family or household use in connection with sewing machines and related crafts and hobbies. This warranty does not cover any defect resulting from the misuse or abuse of the cabinet, normal wear and tear, or use in a commercial environment.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. If you have any questions about your warranty, please contact us at 1-800-547-8025.

*If you are a resident of the state of California and you are not reasonably able to deliver the defective component to us, you should provide written notification to us explaining the defect and the reasons you are unable to deliver the defective component to us.
